

SHOW YOUR CLIMATE FRIENDLY MOTOR DRIVEN VEHICLE TO THE WORLD

IF WE ARE TO SOLVE THE ENVIRONMENTAL PROBLEMS FACING OUR WORLD, WE NEED VISIONARY AND SUSTAINABLE SOLUTIONS. COPENHAGEN MUNICIPALITY HAS TAKEN THE FIRST STEP BY BUYING A SERIES OF ELECTRICAL AND HYDROGEN CARS – BUT WE WOULD ALSO LIKE TO HEAR WHAT YOU HAVE DONE FOR THE ENVIRONMENT.

Does your company drive climate friendly or do you produce climate friendly motor driven vehicles? Then you have the chance – together with Copenhagen Municipality and a range of car manufactures – to show your vehicles during the Climate Conference. The 13th of December 2009 Copenhagen Municipality presents a parade of climate friendly motor driven vehicles together with Hopenhagen Live. The parade drives from the City Hall Square to Forum, where it will become a part of the artwork “CO.2 E-RACE” by Jacob Fuglsang.

All vehicles are welcome as long as they do not run on fossil fuel. If bio fuel is used it has to be 2nd generation. You can find all criteria for participating at www.kk.dk/Hopenhagen

LAST DATE FOR ADMISSION IS THE 13TH NOVEMBER 2009.
YOU CAN FIND THE ADMISSION FORM AT WWW.KK.DK/MOTORPARADE

PROGRAMME

- 10:00 – 12:00 : Vehicles are put in place on Vester Voldgade
- 12:00 – 14:30 : Vehicles are on display for interested people
- 14:30 – 15:00 : Vehicles are presented one by one by Henrik Milling from P3
- 15:00 – 15:45 : Lord Mayor Ritt Bjerregaard and Technical- and Environmental Mayor Klaus Bondam sends the cars on their way towards Forum
- 15:45 - 16:45 : Arrival at Forum and the Bright Green fair. From here “CO.2 E-RACE” starts (for additional information visit: <http://co2-e-race-cph.blogspot.com/>)

For each vehicle on display you need to have one person available to participate in the entire programme and to display your vehicle to the public.

For additional information contact Liana Wolfsberg at e-mail: liwolf@tmf.kk.dk or Casper Harboe at e-mail: cashar@tmf.kk.dk
