

Speak English!

Do you want to learn English? This course is for beginners. You will learn English from the very start.

You will learn to:

- Say the alphabet
- Count to 100
- Introduce yourself
- Talk about your job
- Talk about your day
- Ask people questions

You will learn many new words, so you can talk about work, family, transport, and clothes. You will practice how to pronounce the new words correctly. Your teacher will help you prepare a word list based on each lesson.

You will also learn colours, how to say the time and the names of the weekdays and months. You will learn how to ask someone for their telephone number and address, and how to talk about your own family and ask others about their family.

Teaching material

The course material will be handed out in class and will focus on tasks that teach the basics of English and prepare you for simple talk with others in work and social situations.

Preparation time: 1-2 hours.

Your teacher will give you homework each week. The homework will allow you to practise the content that you have learned in class. Each week builds upon what you have learned in the previous week.

Level A1 classes take place twice a week for 14 weeks.
