Dear Sir/Madam,

APPLICATION FOR A GRANT TO FINANCE OUR CULTURAL FESTIVAL

We wish to apply for a grant of **87750DKK** that will be used to pay for the logistics for our upcoming Cultural Festival, which will be organised by the Enugu Progressive Union Denmark (CVR: 33671350) on the **4th of July 2020** at Fælledparken, Copenhagen.

The cultural festival is a celebration during which we showcase many cultural and traditional performances from different parts of Africa, especially those of Enugu state – the headquarter of the Old Eastern Region of Nigeria. It aims to foster cultural exchange and education through exhibitions and performances that will include folklores, traditional music and dances, exhibition of different masquerades, traditional coronation, tasting of Nigerian cuisine, traditional games and other selected events that are indigenous to the people of Enugu as well as other parts of Africa.

Moreover, this event presents the Danish society an opportunity to experience, first hand, the rich cultures of the Sub-Saharan Africa. And it will be attracting a lot of tourists from around the world because we are organising the event in collaboration with other sister associations in other countries.

The cultural festival will be open to the Danish general public, and in addition, we expect that about 200 international guests will also be in attendance. Participation is free. Any excess revenue resulting from the event will be donated to a selected Motherless babies' home.

Finally, in the attachments hereto are our budget estimates and pictures of some of the performance for the festival. And we wish to express our profound gratitude for your expected positive response because the grant will help us achieve the aims of the festival.

Yours sincerely,
