Kort projektbeskrivelse
KBG Block Party 2027 would be a public street party aiming to celebrate, strengthen and showcase the diversity of Copenhagen's local music scene as part of the 48 Timers Festival 2027.

The project will bring together a selection of local bands and musicians from Copenhagen for a well organised outdoor concert at the top end of Kronborggade (Stefansgade) in Nørrebro.

Formidling af projektet
The festival would be a part of the 48 Timers festival, so it will be promoted by the festival organisers, the block party production team and the local businesses involved.

So, in short there will be various communities and groups that the promotion/advertising will reach via SoMe, internet advertising, old school posters/flyers on the street and in stores.
