Kort projektbeskrivelse

The Percussive Outreach Programme SUMMER SUMMIT is an all ages daytime festival celebrating the world of percussion! The festival will take place at the iconic and historical building Ny Bastion in Christianshavn - with concerts taking place spread around the building and the garden.

At the SUMMER SUMMIT 2027 you will be able to experience performances by the award winning Danish vibraphone player Viktoria Søndergaard and drummer Rune Lohse in rare solo performances, as well as the international percussion ensemble G·Bop Orchestra.

The Percussive Outreach Programme SUMMER SUMMIT is a place where audiences of all ages are welcome! During the performances you are free to make sounds, react and move around - as well as come in and out of the performances as you like.

The SUMMER SUMMIT will be presented as part of the official Copenhagen Jazz Festival programme.

Formidling af projektet
The event will be primarily hosted by Ny Bastion - who will be responsible for the technical production (lighting and sound) of the festival. Alongside that, there will be a team of 6 volunteers who will be responsible for ticket sales, running the bar and setting up and packing down. I (Percussive Outreach Programme) will be responsible for promotion, pre-production, organisation, book keeping and the general running of the event. The festival will be presented as part of the official Copenhagen Jazz Festival programme, and I also intend to bring in other music institutions - including Jazz Danmark, Art Music Denmark, Dansk Komponist Forening - as partners to help promote the festival.
