

City of Copenhagen, The Technical and Environmental Administration
Islands Brygge 37
2300 Copenhagen S
Denmark
Att: Karen Margrethe Krogh

Date: 30. September 2015

Project Number: P 15039

Project Title: Climate adaptation as a social and cultural driver for local development

Letter of Grant

We have the pleasure of informing you that Nordic Innovation has approved the following funding:

Nordic Innovation grants up to 2 000 000 NOK for P 15039. The funding is earmarked for the city of Copenhagen to host its own local innovation competition as part of the Nordic Built Cities Challenge.

The total grant of 2 000 000 NOK shall cover maximum 52,5 % of the total project budget.

The decision will come into force when the Contract is signed by both parties. The signed Contract, including all Annexes, must be received by Nordic Innovation by 1 Oct. 2015. A failure to comply with the contract deadline may result in the withdrawal of the Grant.

Nordic Innovation received 37 applications and your project was selected among several strong applications. Nordic Innovation invites a total of 6 projects to sign a contract and run a their own competitions as part of the Nordic Built Cities Challenge

We look forward to work with you.

Best regards

Nordic Innovation
