※I am writing to you introduced by Mr Michael Ryan Andersen, City of Copenhagen.

My name is Minako Okada Ms., a researcher, JTB Tourism and Research Consulting Co. (JTRC). I am writing this letter on behalf of the Policy Research Institute for Land, Infrastructure, Transport and Tourism, (PRI), a Japanese government agency under the Ministry of Land, Infrastructure, Transport and Tourism. The JTRC is currently working with PRI on sustainable tourism policy research as a contractor firm.

Our research focuses mainly on the policies to address overconcentration of visitors in tourist destination cities, including urban planning, regulations on development and location of tourist accommodation (including vacation rentals) and tourism management through indicators.

We are keen to learn about your policies on sustainable tourism management and practices etc. Please kindly permit us to request an interview meeting with you on 29th AM or 30th (Also fine 28th PM) November , as we are planning to visit Copenhagen for a series of interviews with relevant organizations and individuals during that week.

Please find following the questions we would like to ask you during the interview.

**We should appreciate your kind attention and consideration.
We look forward to hearing from you soon.**

Sincerely yours,

Minako Okada
