6 – Intellectual Property & UEFA’s commercial programme for UEFA EURO 2020

- 6.1 The Parties acknowledge and agree that UEFA will solely and exclusively own and control the use and/or exploitation of the Marks, any Commercial Rights and any rights of Intellectual Property in connection with UEFA and/or UEFA IPR and any goodwill, know-how or customer data (other than know-how or customer data which can be demonstrated to be owned by or in the possession of either the Host Association or the Host City Authority) prior to the date of this Agreement) generated by the Host Association and/or the Host City Authority in hosting and organising UEFA EURO 2020 within the Host City Territory and fulfilling the obligations under this Agreement.
- 6.2 The Host City Authority acknowledges and agrees that it shall cooperate with UEFA, the Host Association and any other Authorities to protect all rights and interests of UEFA and the Commercial Partners in and around the Host City Territory based on the principle of exclusivity.
- 6.3 The Host City Authority shall not exploit any rights in its capacity as one of the Host Cities hosting matches of UEFA EURO 2020 other than as expressly stated in this Agreement or with the prior written consent of UEFA and shall not make any direct and/or indirect association with or references to UEFA, the Host Association, the Commercial Partners and/or UEFA EURO 2020 except for editorial purposes and/or with the prior written approval of UEFA.
- 6.4 The Host City Authority acknowledges that it is not authorised to appoint any local partners in relation to UEFA EURO 2020.

UEFA Intellectual Property

- 6.5 Other than as expressly set out in this Agreement, the Host City Authority will not, by virtue of this Agreement or otherwise, obtain or claim any right, title or interest in or to the Intellectual Property related to UEFA and IPR.
- 6.6 UEFA hereby grants to the Host City Authority a non-exclusive licence to use the UEFA IPR supplied to the Host City Authority by UEFA to the limited extent required for the purposes of hosting and organising (and promoting the fact that it is organising) UEFA EURO 2020 as set forth in this Agreement and the UEFA EURO 2020 Host City Requirements provided that the Host City Authority complies at all times with any reasonable conditions set forth by UEFA governing the use of such UEFA IPR.

The Host City Authority shall not be entitled to grant any sub-licences of such rights.

In no event may the Host City Authority use the UEFA IPR for any commercial purposes whatsoever.

The licence granted in accordance with this clause 6.6 shall automatically terminate on the earlier of:

- a. the termination or expiry of this Agreement; or
- b. one (1) month after UEFA EURO 2020.

For the avoidance of doubt, such licence may also be revoked by UEFA at any time without the need to specify the reasons of such decision.

- 6.7 UEFA shall fully and effectively indemnify and hold harmless, and keep indemnified and held harmless, the Host City Authority and its respective sub-licencees from and against any and all losses, damages, judgments, liabilities, penalties, claims, suits, expenses (including legal expenses) and costs resulting from, arising out of, related to or in connection with any claim or action by any third party brought in relation to the Host City Authority’s use of the UEFA IPR in accordance with this Agreement. In such circumstances, the Host City Authority shall:
 - a. promptly notify UEFA of such claim or action;
 - b. not settle, admit or compromise the relevant claim or action; and
 - c. provide all such assistance, co-operation and information as UEFA may reasonably require in connection with such claim or action.

- 6.8 The Host City Authority shall not knowingly do or cause, or permit anything to be done, which may endanger the UEFA IPR, the Marks or the title of UEFA thereto.
- 6.9 If and to the extent that the Host City Authority acquires any right, title and/or interest in UEFA EURO 2020 (including all Intellectual Property related to UEFA EURO 2020, any accrued goodwill in the Marks as well as any materials, data reports and systems developed and/or used by the Host City Authority in connection with UEFA EURO 2020), the Host City Authority acknowledges and agrees that the benefit of all such right, title and interest will at all times accrue to and inure to the benefit of UEFA, and the Host City Authority irrevocably, unconditionally and free of charge assigns to UEFA all such right, title and interest by way of present and future assignment.

The Host City Authority Intellectual Property

- 6.10 The Host City Authority grants to UEFA, free of charge, a worldwide non-exclusive licence (with the right to sub-licence to UEFA affiliates and Commercial Partners) to use the Intellectual Property of the Host City Territory including the Host City name, image, branding, logos, designs and maps of and from the Host City Territory including any landmarks or internationally recognised symbols thereof (including any material derived there from) ('Host City Intellectual Property') for any commercial and non-commercial uses via any and all current and/or future media in relation with UEFA EURO 2020 free from any third party rights and/or any further charges, provided that UEFA (including the UEFA affiliates) or the Commercial Partners (as the case may be) comply at all times with any reasonable conditions set forth by the Host City Authority (at the time when any such Host City Intellectual Property is provided to UEFA) governing the use of such Host City Intellectual Property. For the avoidance of doubt, the Host City Authority shall also authorise UEFA to use pictures and video materials made within the Host City Territory, free of charge and for all possible uses on UEFA website, publications or in any other promotional items produced by UEFA. UEFA intends to conduct video filming within the Host City Territory for promotional UEFA EURO 2020 video clips and the Host City Authority shall provide all necessary support.
- 6.11 The licence granted to UEFA by the Host City Authority shall be perpetual and irrevocable. In addition, UEFA shall be entitled to use the Host City Intellectual Property following the expiry or termination of this Agreement for UEFA's internal purposes and for the purposes of promoting UEFA EURO 2020.
- 6.12 Any sub-licence of the Host City Intellectual Property by UEFA to the Commercial Partners in accordance with clause 6.10 shall automatically terminate on the earlier of:
- the termination or expiry of this (Host City) Agreement; or
 - one (1) month after conclusion of UEFA EURO 2020.

Thereafter, Commercial Partners may apply directly to the respective Host City Authority for a right to use the Host City Intellectual Property on a case by case basis. For the avoidance of doubt, the use by a Commercial Partner of advertising, marketing and/or promotional materials bearing the Host City Intellectual Property after such termination, expiry or one (1) month deadline shall not be deemed to be a breach of this clause provided that:

- the Host City Intellectual Property is used by the Commercial Partners in the exercise of their Commercial Rights; and
 - the relevant materials were produced prior to such termination, expiry or deadline.
- 6.13 The Host City Authority shall fully and effectively indemnify and hold harmless, and keep indemnified and held harmless, UEFA, UEFA's affiliates, the Commercial Partners, and their respective sub-licencees, affiliates, officers, directors, employees, agents, representatives and sub-contractors, on demand, from and against any and all losses, damages, judgments, liabilities, penalties, claims, suits, expenses (including legal expenses) and costs resulting from, arising out of, related to or in connection with any claim or action by any third party brought against UEFA, UEFA's affiliates and/or the Commercial Partners in relation to their use of the Host City Intellectual Property of the Host City Authority in accordance with this Agreement. In such circumstances, UEFA and/or the relevant Commercial Partner (as the case may be) shall:
- promptly notify the Host City Authority of such claim or action;

- b. not settle, admit or compromise the relevant claim or action; and
- c. provide all such assistance, co-operation and information as the Host City Authority may reasonably require in connection with such claim or action.

All remaining advertising inventory and space (i.e. other than that offered free of charge pursuant to the preceding sentence) must be offered first to UEFA's Commercial Partners for purchase at standard market rates applicable as of 1 June 2019 on an exclusive basis. Such right of first option must be exercised by the Commercial Partners no later than 31 December 2019.

- 6.16 In respect of the inventory within the Stadium Commercial Perimeter which has not been acquired by UEFA's Commercial Partners by 31 December 2019, the Host City Authority shall ensure that such inventory is not sold to any third party without UEFA's prior written consent. Without prejudice to the preceding sentence, such inventory must not be sold to any competitor of any of the Commercial Partners.

Clean Site Principle

- 6.17 The Host City Authority shall ensure that the Fan Zone and any Official Sites (in relation to any land, structures, buildings or other infrastructure which are owned and/or controlled by the Host City Authority or Additional City Authority) are completely free and clear of any third party advertising and/or branding and comply with the Clean Site Principle.

Stadium Commercial Perimeter

- 6.18 The Host City Authority must restrict commercial and/or promotional activities within the Stadium Commercial Perimeter (in relation to any land, structures, buildings or other infrastructure which are owned and / or controlled by the Host City Authority) in order to prevent Ambush Marketing activities being conducted in the immediate surroundings of the Stadium.
- 6.19 Within the Stadium Commercial Perimeter, the Host City Authority shall (in relation to any land, structures, buildings or other infrastructure which are owned and/or controlled by the Host City Authority):

Enforcement of Intellectual Property Rights in relation to UEFA EURO 2020

- 6.21 The Host City Authority shall take all necessary steps to ensure that no third party organises, conducts or is otherwise involved directly and/or indirectly in any commercial programme, campaign or activity in relation to UEFA EURO 2020 in the Host City Territory, including the organisation of any public viewing events and/or unauthorised ticket sales or promotions within the Host City Territory, without the prior written consent of UEFA.
- 6.22 The Host City Authority shall take all necessary steps to ensure that no large scale promotions by competitors of the Commercial Partners and/or any large scale football-related campaigns or any Ambush Marketing are operated by third parties at any Official Site (in relation to any land, structures, buildings or other infrastructure which are owned and/or controlled by the Host City Authority or Additional City Authority) and in key locations of the Host City Territory specified by UEFA (such as iconic sites, monuments, major buildings and landmarks) without UEFA's consent.
- 6.23 The Host City Authority shall, and shall procure that any other relevant Authorities and/or Additional City Authorities, implement any specific legislation established to protect the Intellectual Property in connection with UEFA and UEFA EURO 2020, as set out in the UEFA EURO 2020 Host City Requirements.

- 6.25 The Host City Authority shall use its best endeavours to assist UEFA and the Authorities to prevent Ambush Marketing as well as to prevent unauthorised sale of tickets for matches of UEFA EURO 2020. In particular, the Host City Authority shall, on the days of matches of UEFA EURO 2020, use its best endeavours to ensure that there is no selling or distribution of products or materials (including unauthorised or counterfeit merchandise relating to UEFA EURO 2020) and that no third-party demonstrations or activities are conducted which have a political, religious or racist connotation within the Stadium Commercial Perimeter and/or at other Official Sites in the Host City Territory, unless such activities are approved by UEFA and the Authorities in advance.
- 6.26 Where delivery of any of the intellectual property and/or commercial programme-related requirements set out in this clause 6 require involvement, cooperation, decision or action by any Additional City Authority, then the Host City Authority shall be responsible for ensuring that any such involvement, cooperation, decision or action are secured and in place as required under the UEFA EURO 2020 Host City Requirements.
- 6.27 Without prejudice to clause 6.24, the Host City Authority shall, in particular, provide all such assistance as UEFA may require in respect of the "rights protection committee" (if any) established for the Host City Territory as envisaged by the UEFA EURO 2020 Host City Requirements. The intention is that such rights protection committee will meet regularly to co-ordinate efforts to protect the UEFA IPR and UEFA's commercial programme for UEFA EURO 2020 including: (i) prohibiting Ambush Marketing activities; (ii) protecting the UEFA IPR; and (iii) prohibiting illicit ticket activities, as well as ensuring that appropriate measures are taken to prevent violations (or where violations have occurred, ensuring they are dealt with quickly and effectively).

Dear Sirs,

I/We the undersigned, being the person duly authorised to undertake obligations on behalf of the Københavns Lufthavne A/S (the "Airport Authority") in relation to the Kastrup Copenhagen Airport (the "Airport") understand that the Danish Football Association (the "Host Association") is applying to be appointed as the entity responsible for hosting and organising matches of certain matches of the final tournament of UEFA European Football Championship 2018/2020 (the "UEFA EURO 2020") at the Parken Stadium (the "Stadium") in the City of Copenhagen (the "Host City"). If the Host Association is appointed by UEFA and in consideration of the mutual rights and obligations of the parties, this Declaration constitutes the Airport Authority's acknowledgement and agreement to comply with the staging and organisational requirements of the Airport Authority for UEFA EURO 2020, as set out in Appendix B of the Host City Agreement and to comply fully with all instructions and guidelines given by UEFA, the Host Association and/or the Host City Authority in relation thereto as well as with the Tournament Requirements insofar as these Tournament Requirements apply to the activities involving the Airport.

Notwithstanding a long-form agreement which may be executed between the Host City Authority and the Airport Authority, the Airport Authority hereby represents and undertakes to UEFA, the Host Association and the Host City Authority the following:

It shall create an appropriate structure within its organisation in order to provide full cooperation and assistance to UEFA, the Host Association and the Host City Authority to ensure the successful and smooth delivery of the Airport Requirements for the organisation of UEFA EURO 2020 in the Host City Territory.

It shall issue to UEFA and the Host Association, in a quick and efficient manner, any and all approvals and consents as may be required in connection with the Airport Requirements required for UEFA EURO 2020 in an expedited fashion, provided that all requirements set by any applicable laws are met. With respect to consents and approvals which do not fall into the Airport Authority's competencies, it agrees to proactively support UEFA, the Host Association and the Host City Authority in obtaining any and all such consents and approvals.

It shall not knowingly by any act or omission place the Host Association in breach of its obligations to UEFA with respect to the staging and organisation of UEFA EURO 2020 in the Host City Territory.

It shall indemnify, hold harmless and defend UEFA from and against all liabilities, claims, damages or costs (including reasonable attorneys' fees and expenses) suffered or incurred as a result of a failure by the Airport Authority to perform any of its obligations in relation to the staging and organisation of UEFA EURO 2020 in the Host City Territory as set out under the Airport Requirements.

It shall not use any Marks, logos or other Intellectual Property belonging to UEFA in connection with the UEFA and/or UEFA EURO 2020 at any time without the prior written approval of UEFA.

Bilag 1.4 Hensigtserklæring mellem Københavns Kommune, DBU og DBU København om forankring af EM i fodbold 2020

København skal være vært for tre puljekampe og en ottendedelsfinale ved EM i fodbold 2020.

Københavns Kommune og Dansk Boldspil-Union (DBU) indgår i et tæt samarbejde hele vejen frem mod mesterskaberne for at sikre, at kampene og sideevents kan afvikles efter højeste professionelle standarder samt ikke mindst, at begivenheden forankres i byen og sætter et positivt, blivende aftryk på det københavnske kultur- og fritidsliv.

Visionen er, at EM i fodbold 2020 vil være medvirkende til at udvikle københavnsk fodbold på såvel forenings- som på facilitetssiden.

DBU, DBU København og Københavns Kommunes aftale dækker:

Udvikling af faciliteter

- Fælles prioritering og retning i arbejdet med at skabe nye og flere faciliteter til fodbolden i København herunder kunstgræsbaner, multibaner og street soccer-baner. Københavns Kommune og DBU kortlægger i fællesskab behovet og udarbejder en plan for nye potentielle anlæg og baner.
- Udvikling, nytænkning og forbedring af eksisterende faciliteter samt aktiv benyttelse af restarealer. Arbejdet forudsætter, at begge parter, hvor det er muligt, udviser fleksibilitet i forhold til krav til f.eks. banestørrelse og krav til stadionbaner.
- Fælles forpligtelse til at afsøge muligheder for ekstern finansiering af nye faciliteter. Heri indgår også samarbejde med fonde.

Styrkelse af foreningslivet

- Facilitering af rammerne for, at byens fodboldforeninger før, under og efter EM i fodbold 2020 har mulighed for at promovere sig selv og den danske foreningskultur gennem aktiviteter og sideevents i klubberne og i gadebilledet.
- Foreningerne skal involveres i og tage ejerskab for udviklingen og driften af centrale initiativer i forbindelse med EM i fodbold 2020 f.eks. fonzoner, skoleturneringer og lignende. Aktiviteterne følges og koordineres af DBU/DBU København.
- Københavns Kommune vil arbejde på, at der afsættes særskilte ressourcer til at koordinere de frivilligdrevne initiativer.
- Udarbejdelse af fælles kampagnetiltag for rekruttering af flere frivillige trænere, holdledere og dommere, så den ventede medlemstilgang kan imødekommes.
- Et overordnet mål for mange af aktiviteterne er at iværksætte særlige initiativer for at inkludere piger og kvinder i fodbolden, så der arbejdes mod en større ligestilling i sporten. Med andre ord skal potentialet i at få endnu flere aktive fodboldspillere udnyttes ved at gøre fodbold mere tilgængeligt for piger og kvinder.

Profilerings af København som fodboldby

- Udarbejdelse af fælles strategi for markedsføring af København som oplevelsesdestination og livable city med muligheder for at dyrke fodbold i alle afskygninger.
- Københavns Kommune vil benytte samtlige digitale platforme/medier til rådighed til at formidle de gode fodboldhistorier, synliggøre eventen og fortælle borgere, erhvervsliv og turister, hvordan de kan tage del i den.

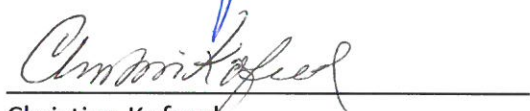

Parterne forpligter sig i øvrigt generelt på et tæt samarbejde i udviklingen af borgerrettede aktiviteter og sideevents i byens rum, i samarbejde med kommunens institutioner og ude i klubberne.

Ambitionen er, at de mange tiltag vil være med til at gøre EM i fodbold 2020 vedkommende for den enkelte københavnere, der gennem deltagelse kan føle et medejerskab og en stolthed over byen og værtskabet. At de er: En Del af Noget Større.

Sagsfremstilling

Indstilling

Indstilling om,

1. at handlingsplan for brug af arbejdsklausul og sociale klausuler på Økonomiudvalgets område i forbindelse med tildeling af økonomisk støtte og tilskud (bilag 3), godkendes,
2. at handlingsplaner for brug af arbejdsklausul og sociale klausuler på de stående udvalgs områder i forbindelse med tildeling af økonomisk støtte og tilskud (bilag 4-9), godkendes,

4. at pålægge forvaltningerne at lægge de aftaler, der har tilknyttet klausuler, ind i aftalesystemet senest d. 1. januar 2017 og herefter løbende vedligeholde data om nye aftaler, der har tilknyttet klausuler, hvilket muliggør indsatsteamets tjek af overholdelse af klausulerne,
5. at brugen af arbejdsklausuler og sociale klausuler, når kommunen yder økonomisk støtte og tilskud, evalueres ved årsskiftet 2017-2018.

(Økonomiudvalget)

PROBLEMSTILLING

I forbindelse med udbud og indgåelse af kontrakter med eksterne leverandører anvender Københavns Kommune sociale klausuler og arbejdsklausul med henblik på at sikre praktikpladser, beskæftigelse af ledige og ordentlige løn- og arbejdsvilkår. På baggrund af en juridisk analyse af mulighederne for at bruge arbejdsklausulen og de sociale klausuler i forbindelse med tildeling af økonomisk støtte og tilskud, besluttede Borgerrepræsentationen den 17. marts 2016, "at kommunen i videst muligt omfang anvender sociale klausuler og arbejdsklausuler overfor eksterne samarbejdspartnere, der modtager tilskud m.m. fra Københavns Kommune."

Derudover blev det besluttet, "at fagudvalgene senest den 1. juni 2016 pålægges - med henblik på forelæggelse for Økonomiudvalget og Borgerrepræsentationen - at udarbejde forslag til en handlingsplan for, hvordan sociale klausuler og

arbejdsklausuler mest hensigtsmæssigt implementeres på udvalgets område og herunder fastsætter rammer og retningslinjer for, hvornår beslutningen om undladelse af brug af klausuler skal træffes af fagudvalget." Med beslutningsgrundlaget har det været op til hver enkelt fagudvalg at definere retningslinjer og nedre grænser for anvendelse af klausulerne på deres område. I budget 2017 blev parterne desuden enige om at afsætte midler til at fortsætte indsatsen mod social dumping til og med 2020 samt at kontrollere overholdelse af arbejdsklausulen både i de sager, hvor kommunen køber ydelser, og hvor kommunen giver støtte og tilskud.

LØSNING

Der forelægger nu forslag til handlingsplaner for brug af arbejdsklausul og sociale klausuler på alle stående udvalgsområder i forbindelse med tildeling af økonomisk støtte og tilskud.

Fagudvalgenes handlingsplaner

Bilag 1-2 giver en oversigt over de tilskudsområder, hvor fagudvalgene fremover vil indføre arbejdsklausulen og sociale klausuler. Endvidere er principperne for undtagelser opsummeret.

Godkendes fagudvalgenes handlingsplaner vil bl.a. følgende områder blive omfattet af arbejdsklausulen og de sociale klausuler:

- Almene byggerier
- Private institutioner på børneområdet
- Teatre og regionale spillesteder
- Kultur og idrætstilskud herunder festivaler

Det foreslås, at fagudvalgenes handlingsplaner godkendes, se vedlagte bilag 3-9.

Formulering af kravene i relation til støtte og tilskud

Arbejdet med handlingsplanerne har vist, at der er behov for at formulere klausulernes krav, så de kan stilles i forbindelse med økonomisk støtte og tilskud – indholdet i kravene er ikke ændret. Økonomiforvaltningen har derfor bedt advokatfirmaet LETT om at udarbejde forslag til formulering af arbejdsklausulens og de sociale klausulers krav i en tilskuds- og støttekontekst (Bilag 10-12).

LETT har udarbejdet forslag til to udgaver af arbejdsklausulen til hhv. støtte til afgrænsede aktiviteter (version 1/bilag 10) og støtte til en institution (version 2/bilag 11). På baggrund af proportionalitetsbetragtninger vurderer LETT, at der kun kan indføres kædeansvar i arbejdsklausulens version 1. Situationen i version 1 minder om den, der foreligger ved en kontrakt. Der gives tilskud til en bestemt og afgrænset aktivitet, hvorfor det som udgangspunkt er rimeligt at stille krav i form af kædeansvar. Hvor kommunen som i version 2 giver et generelt tilskud til en institution, ville det være meget indgribende, hvis tilskuddet betød, at institutioner i forhold til alle sine leverandører skulle stille krav om klausulerne.

For så vidt angår den sociale klausul er denne målrettet praktikpladser i forbindelse med erhvervsuddannelsesforløb. Denne målgruppe er således primær i forhold til klausulens anvendelse. LETT har tilpasset den del af den sociale klausul, der omhandler beskæftigelse af praktikanter. I de tilfælde hvor det vurderes at tilskudsmodtagerens aktivitet ikke har et uddannelsespotentiale, vil det som i dag være op til den enkelte forvaltning efter en konkret vurdering af udbuddets egnethed at fastsætte evt. krav om beskæftigelse af ledige.

Det foreslås, at forvaltningerne i forbindelse med implementeringen af handlingsplanerne anvender vedlagte forslag til formulering af arbejdsklausulens og de sociale klausulers krav i en tilskuds- og støttekontekst (Bilag 10-12).

Udbygning af FairForhold.kk.dk

Økonomiforvaltningen vil som led i implementeringen udbygge den eksisterende hjemmeside www.FairForhold.kk.dk, så tilskudsmodtagere kan tilgå information om kravene i relation til støtte og tilskud fra Københavns Kommune.

Opfølgning på overholdelse af krav

Det er LETT's vurdering, at overholdelse af arbejdsklausulens krav vil kunne tjekkes af indsatssteamet mod social dumping. Ligeledes vil det være muligt at følge op på effekten af de sociale klausuler.

Det er forvaltningernes opgave at vurdere om det vil være proportionalt med tilskuddets størrelse og varighed, at indsatssteamet udfører kontrol med tilskudsmodtager.

Forpligtende indmeldelse af kontraktoplysninger i aftalesystem

Københavns Kommunes indgåede tilskuds- og støtteaftaler med arbejdsklausul og de sociale klausuler findes i de enkelte forvaltninger. En forudsætning for at indsatssteamet kan foretage risikobaseret udvælgelse af de aftaler der skal kontrolleres er, at data om disse samles.

Det indstilles derfor, at forvaltningerne lægger de aftaler, der er relevante ift. opfølgning og tjek, ind i det fælles aftalesystem senest 1. januar 2017, og herefter vedligeholder data på baggrund af nye aftaler om støtte og tilskud.

Forvaltningerne vil få et arbejde med at indtaste oplysningerne, men vil til gengæld i den daglige aftalestyring blive aflastet af indsatssteamets arbejde ift. opfølgning og tjek.

Økonomi

Indstillingen vurderes ikke at have økonomiske konsekvenser, men der må påregnes øgede administrative opgaver i forvaltningerne i forbindelse den udvidede brug af arbejdsklausulen og sociale klausuler. Kontrollen med overholdelse af arbejdsklausulen vil blive håndteret indenfor de midler, der er afsat.

Videre proces

Godkendes indstillingen i Borgerrepræsentationen, vil implementeringen efterfølgende pågå i de enkelte forvaltninger. Indsatsteamet vil kunne tjekke aftalerne fra 1. januar 2017.

Økonomiforvaltningen indstiller, at Økonomiudvalget over for Borgerrepræsentationen anbefaler,

1. at vedlagte handlingsplan for brug af arbejdsklausul og sociale klausuler på Økonomiudvalgets område i forbindelse med tildeling af økonomisk støtte og tilskud (bilag 3), godkendes,
2. at vedlagte handlingsplaner for brug af arbejdsklausul og sociale klausuler på de stående udvalgs områder i forbindelse med tildeling af økonomisk støtte og tilskud (bilag 4-9), godkendes,
3. at det godkendes, at forvaltningerne i forbindelse med implementeringen af handlingsplanerne anvender vedlagte forslag til formulering af arbejdsklausulens og de sociale klausulers krav i en tilskuds- og støttekontekst (bilag 10-12),
4. at det godkendes, at pålægge forvaltningerne at lægge de aftaler, der har tilknyttet klausuler, ind i aftalesystemet senest d. 1. januar 2017 og herefter løbende vedligeholde data om nye aftaler, der har tilknyttet klausuler, hvilket muliggør insatsteamets tjek af overholdelse af klausulerne.

Økonomiudvalgets beslutning i mødet den 1. november 2016

Radikale Venstre fremsatte følgende ændringsforslag (ÆF1):

”At bilag 12 ”Udkast til kontraktklausul om beskæftigelse af praktikanter i forbindelse med modtagelse af tilskud fra Københavns Kommune”, pkt. 2, 2), tilføjes ”Jobcenter Københavns Ungecenter”, således at punktet ændres fra:

”2. Forpligtelsen til at beskæftige [X] årsværk praktikant(er) bortfalder, hvis tilskudsmodtager ikke er i stand til at finde en praktikant (eller praktikanter), som ønsker at indgå i en uddannelsesaftale med tilskudsmodtager. Forpligtelsen bortfalder dog kun, hvis tilskudsmodtager kan dokumentere, 1) at der i rimeligt omfang er annonceret efter praktikanter på www.praktikpladsen.dk eller foretaget en passende annoncering i et andet EU-land, og 2) at en teknisk skole eller tilsvarende skole eller anden relevant myndighed i et andet EU-land efter konkret henvendelse fra tilskudsmodtager ikke har set sig i stand til at formidle en praktikant til ansættelse.”

Baggrund

I sommeren 2020 er Danmark og København vært for fire kampe ved EURO 2020 (europamesterskaberne i herrefodbold). EURO 2020 er i anledning af 60 året for det første EM fordelt på 12 byer rundt omkring i Europa, hvorved Danmark har fået en helt igennem unik mulighed for værtskabet af fodbold EM. Kampene spilles i Parken 13., 18., 22. og 29. juni. Det drejer sig om tre puljekampe og en ottendedelsfinale. Kvalificerer Danmark sig bliver der hjemmebanefordel i mindst to kampe.

Uanset om Danmark kvalificerer sig, forventes der et stort antal tilrejsende, som i ugerne omkring afviklingen af kampene kommer til at sætte et massivt aftryk i bybilledet. De fire kampe forventes udsolgt, hvilket betyder, at ca. 150.000 fans vil overvære kampene. Hertil kommer et endnu større antal tilrejsende, som ikke har billet. Specielt omkring kampene vil den trafikale infrastruktur i og omkring København blive påvirket massivt. Det gælder for såvel den kollektive som private trafik, ligesom Københavns Lufthavn i høj grad vil blive påvirket. En effektiv trafikal infrastruktur er således en vigtig forudsætning for, at EURO 2020 bliver en succes.

EURO 2020 ejes af det europæiske fodboldforbund UEFA. Det danske værtskab projekt styres af DBU i samarbejde med Københavns Kommune og Parken Sport & Entertainment. Hertil kommer en stor mængde samarbejdspartnere og underleverandører, bl.a. Region Hovedstaden, Sport Event Denmark og Wonderful Copenhagen.

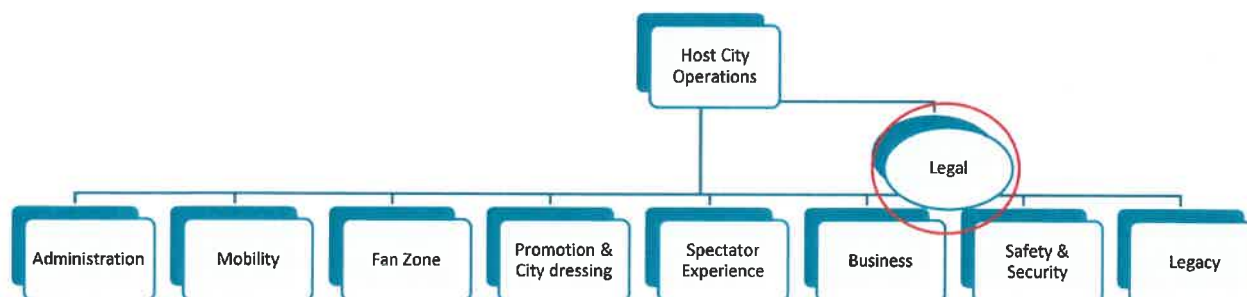

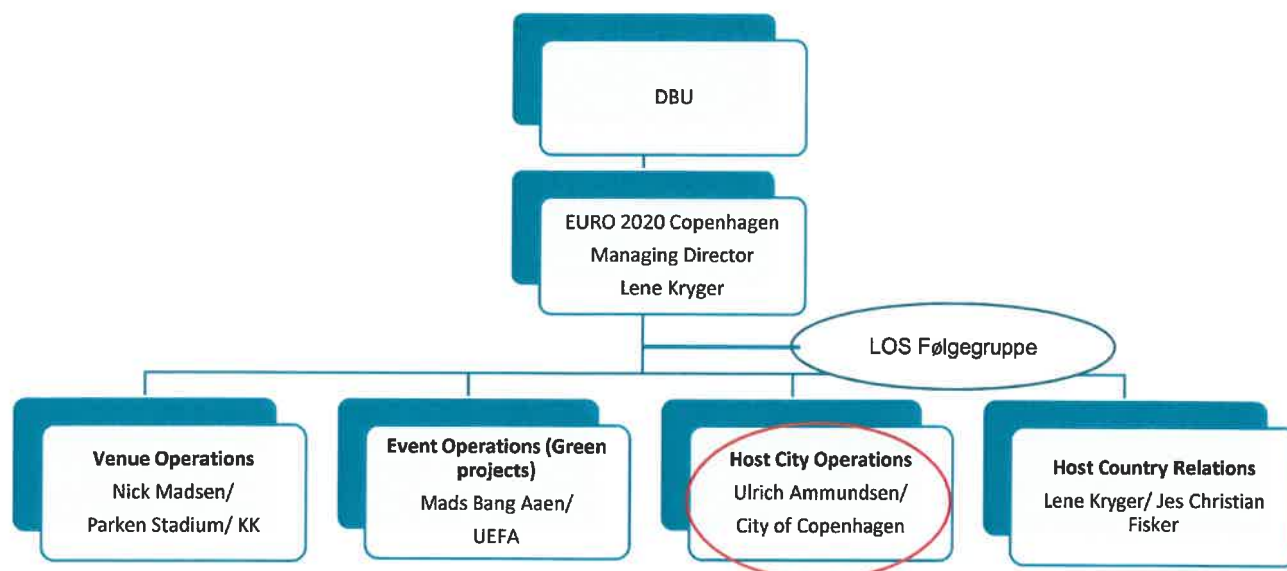

Host City Agreement

Københavns Kommune og DBU har som led i tildelingen af værtskabet indgået en aftale med UEFA. Aftalen blev underskrevet af Overborgmesteren og Kultur- og Fritidsborgmesteren. Med aftalen har kommunen påtaget sig en række opgaver som én af slutrundens officielle "Host Cities" (værtsbyer). Kommunen er retligt forpligtet til at efterkomme de krav, som fremgår af aftalen.

Projektet er inddelt i følgende hovedområder:

- 🌀 Venue Operations (aftale mellem Parken Sport & Entertainment, DBU og UEFA)
- 🌀 Event Operations (aftale mellem DBU og UEFA)
- 🌀 Host Country Relations (aftale mellem DBU og UEFA)
- 🌀 Host City Operations (aftale mellem Københavns Kommune, DBU og UEFA)

Den danske organisation

Der er nedsat en LOS Følgegruppe, hos UEFA kaldet "LOS Steering Group" bestående af nationale og regionale aktører; Københavns Kommune (KFF, ØKF, TMF), Parken, DBU og DBU København, Sport Event Denmark, Region Hovedstaden og Wonderful Copenhagen. Gruppen har ikke et juridisk og økonomisk ansvar, hvorfor denne gruppe kun er en følgegruppe ved navn "LOS Steering Group".

Det er besluttet at nedsætte en juridisk support funktion bestående af jurister fra de tre forvaltninger og DBU, da begge parter har underskrevet Host City Agreement.

Gruppen består af følgende deltagere:

| Organisation | Navn | E-mail |
|--|--|------------------|
| Københavns Kommune Teknik og Miljøforvaltning Økonomiforvaltning Kultur og Fritidsforvaltning | Eva Stejn Nissen | KC3L@tmf.kk.dk |

Sine Midtgaard (KFF), som er intern projektleder i Københavns Kommune for EM 2020, deltager så vidt muligt i arbejdsgruppens møderække.

Formål

Formålet med den juridiske arbejdsgruppe er at bistå Host City teamet med juridisk rådgivning efter behov, og ved konkrete forespørgsler, i forbindelse med planlægning og afvikling af EM 2020.

Som et led i Host City aftalen mellem Københavns Kommune, DBU og UEFA er det aftalt, at første udkast til et samlet Host City koncept skal være klar 30. juni 2018. Host City konceptet tager udgangspunkt i de forpligtelser, som står beskrevet i *UEFA EURO 2020 Host City Agreement*. De forskellige afsnit i *UEFA EURO 2020 Host City Agreement* er uddybet i en række tillægsskemaer, bl.a.

- 1) *Host City Concept Briefing (fremsendt til arbejdsgruppen)*
- 2) *Host City Guidelines (fremsendt til arbejdsgruppen)*
- 3) *Host City Fanzone Guidelines (endnu ikke modtaget fra UEFA)*
- 4) *Safety, Security and Services Concept Briefing (fremsendt til arbejdsgruppen)*

Emner under det juridiske afsnit

DBU bistår UEFAs juridiske afdeling indenfor følgende områder:

Intellectual Property Rights Committee

En række danske myndigheder underskrev i forbindelse med det danske EURO 2020 bud separate garantier, som angiver at de vil indgå i en *Intellectual Property Rights Committee*, der skal sikre UEFAs kommercielle rettigheder i forbindelse med EM i 2020 for at undgå Ambush Marketing. Det drejer sig om følgende myndigheder:

- Politiet
- Statsadvokaten
- Patent og Varemærkestyrelsen
- Ombudsmanden
- Justitsministeriet
- Kulturministeriet
- SKAT
- Københavns Kommune (via *UEFA EURO 2020 Host City Agreement*)
- DBU

Den 15. november 2017 blev der afholdt et indledende møde med gruppen, hvor UEFA præsenterede deres erfaringer og behov for gruppen. Gruppens opgave bliver at få udarbejdet en manuel, der beskriver de danske regler inden for området, og hvilke processer, der kan blive etableret for at håndhæve de danske regler under EURO 2020 i København. UEFA er p.t. tovholder på denne proces og det forventes at næste møde skal afholdes efteråret 2018.

Ansættelsesret

DBU har indgået aftale med UEFA om at ansætte 54 medarbejdere på vegne af UEFA. De 54 medarbejdere ansættes på DBU kontrakter efter danske vilkår. UEFA dækker alle udgifter i denne forbindelse.

Visumregler

Endnu ikke relevant

Forsikringer

DBU har sammen med Tryg Forsikring udarbejdet en oversigt over hvilke forsikringer, som DBU og Tryg (Ildrættens Forsikringer) har til sammen. UEFA har nu til opgave at identificere evt. "gaps" mellem de danske forsikringer og UEFAs forsikringer.

Told og Skat

I september 2017 blev der holdt et intromøde mellem de danske Told og Skat myndigheder og UEFA. DBU deltog også på mødet. Formålet med mødet var at parterne kunne få en gensidig forståelse for hinandens behov. Mødet gik godt og der blev etableret en direkte kontakt mellem de rette personer hos Told og Skat og UEFA.

Tilskudsaftale mellem KK og DBU

Horten har på vegne af KK udarbejdet et notat, der beskriver ansvarsforholdet mellem KK og DBU i forhold til Host City Agreement.

I løbet af foråret 2018 skal den endelige tilskudsaftale mellem KK og DBU indgås.

Andre anliggender mellem UEFA og Københavns Kommune

- Statsstøtte: KK har bedt UEFA søge afklaring vedr. dette hos EU. Vi afventer fortsat.
- Cirkelbroen: Anvendelse af Cirkelbroen som en del af Københavns EURO 2020 logo er afklaret.
- Identificering af danske og lokale forbehold i Host City agreement: I starten af 2017 bad KK og DBU Bech-Bruun om at udarbejde et notat vedr. evt. forbehold i Host City Agreement ud fra dansk og lokal lovgivning. Dokumentet foreligger i udkast (*fremsendt til arbejdsgruppen*).

Kommende opgaver og tidslinje

- 🌀 30. juni 2018 skal første udkast til Host City koncept afleveres til UEFA. Som en del af Host City konceptet skal vi beskrive vores "Legal and political framework". I Host City Concept Briefing dokumentet side 16 og 17, står der beskrevet, hvad KK og DBU skal levere. DBU vil til mødet den 8. maj 2018 have udarbejdet et udkast til fælles drøftelse. Der kan blive behov for, at alle i arbejdsgruppen bidrager til udarbejdelse af det endelige udkast til kapitlet. Dette beslutes den 8. maj.
- 🌀 Afsnit 6 i Host City Agreement omhandler "UEFA Intellectual property", "Host City Authority Intellectual Property", "Advertising Space", "Clean Site principle" og "Stadium Commercial Perimeter". Københavns Kommunes muligheder for at indfri aftalens forpligtelser skal analyseres frem mod 30. juni 2018 for bl.a. at sikre den praktiske implementering af forpligtelsen i overensstemmelse med dansk lovgivning og hidtidige BR-beslutninger indenfor området.
- 🌀 Efterår 2018 – den juridiske arbejdsgruppe deltager i det andet IPR Committee møde.
- 🌀 Ad hoc support

Formål

Formålet med gruppens arbejde er at planlægge og koordinere logistikken på tværs af offentlig og privat transport til, fra og rundt i København i forbindelse med EURO 2020. Mobility planen skal derfor indeholde detaljerede beskrivelser af, hvordan Københavns Lufthavn, tog- metro- og vejnettet integreres med afviklingen af EURO 2020. Det være sig konkret ift. Parken, Fan Village, Public Viewing, Fan Walk, parkering, team transfer camps, base camps etc.

UEFA beskriver følgende områder i kapitlet mobility fra UEFA EURO 2020 Tournament Requirements:

-  Transport til og fra Danmark
-  Transport rundt i Danmark
-  Transport i København

- ✿ Transportlogistik omkring Parken Stadion
- ✿ Logistik i Kastrup lufthavn

Mobility arbejdsgruppens fokusområder:

- ✿ Lokalisere og invitere relevante organisationer og projektledere ind i arbejdsgruppen
- ✿ Etablere et positivt samarbejde med relevante partnere og leverandører bl.a. Politiet, Hovedstadens Beredskab, Movia, Metroselskabet, Københavns Lufthavn, DSB etc.
- ✿ Stå for budgetstyring af mobility-Budget
- ✿ Udvikle og udfærdige mobility-konceptet inden 30. juni 2018, hvor det skal præsenteres for UEFA (80%)
- ✿ Samarbejde med EURO 2020 kolleger, UEFA og andre partnere om den videre planlægning af Mobility-området frem mod 2020
- ✿ Lede et hold af frivillige i forbindelse med afviklingen af EURO 2020 Mobility-området
- ✿ Ansvarlig for succesfuld afvikling af Mobility-området
- ✿ Evt. bidrage til afrapportering af Mobility-området

Målgrupper

Mobility planen skal i detaljer redegøre for, hvordan København efter planen indretter sin infrastruktur, så den kommer til at køre så gnidningsløst som muligt ifm. afviklingen af EURO 2020. Planen skal både tage højde for dem, som ønsker at involvere sig i EURO 2020 ligesom dem, som ikke gør. På den baggrund skal planen have følgende målgrupper for øje:

Internationale gæster

Fodboldfans: Besøgende som kommer til Danmark for at opleve EURO 2020. Denne gruppe kan opdeles i to grupper: *Billeanholdere* og *ikke-billeanholdere*.

Øvrige gæster: Det kan være turister, som ikke er fodboldinteresserede samt forretningsrejsende.

Nationale gæster

Fodboldfans: Besøgende som kommer til København for at opleve EURO 2020. Denne gruppe kan ligeledes opdeles i to grupper: *Billeanholdere* og *ikke-billeanholdere*.

Øvrige gæster: Det kan være danske turister, som ikke er fodboldinteresserede, forretningsrejsende og andre der måtte have et ærinde i København.

Borgere

Fodboldfans: Borgere i hovedstadsregionen som er fodboldinteresserede og vil involvere sig i EURO 2020. Denne gruppe kan ligeledes inddrages i to grupper: *Billeanholdere* og *ikke-billeanholdere*. Langt de fleste lokale fodboldfans vil ikke have billet.

Øvrige borgere: EURO 2020 spilles lige inden industriferien, så regionens normale infrastruktur skal opretholdes. Det må antages, at der vil være mange borgere som er fodboldinteresserede, men som samtidig forventer, at fremkommeligheden i byen er nogenlunde intakt. Derudover vil der naturligvis være borgere, som overhovedet ikke vil være interesserede i EURO 2020.

UEFA

Ud over ovenstående opererer UEFA, som det fremgår nedenstående, med følgende målgrupper, som mobility planen også skal holde for øje. Det drejer sig om: *landsholdene* (og deres tilhørende stab) som skal spille i Parken, *officials*, *"football family"*, *medier*, *hospitality* og *sponsorer*, *medarbejdere* samt *frivillige*.

UEFA Målgrupper og tilhørende services

Mobility planen skal i vid udstrækning koordineres med kommunikationsplanen.

Formål

Formålet med gruppens arbejde er at planlægge og koordinere kommunikation, PR-aktiviteter og Host City Dressing i forbindelse med EURO 2020.

Promotion planen skal derfor indeholde detaljerede beskrivelser af, hvordan Københavns Kommune, Sport Event Danmark og Wonderful Copenhagen samarbejder i afviklingen af promotion af EURO 2020 i Danmark. UEFAs vision er at bygge broer og styrke fællesskabet i hele Europa. Fans skal ikke komme til EM – EM skal komme til fansene. Derfor skal det overordnede mål være at skabe en national folkefest ikke blot i København men på tværs af regionerne – og internationalt hvis muligt.

Det være sig konkret i forhold til hele host city dressing:

- Hvilke bygninger, statuer, veje, broer, pladser og lignende offentlige områder, der kan bruges til city dressing

Til det kommunikative:

- Hvilke platforme/kanaler skal der kommunikeres fra – af nuværende og nye
- Hvordan skal eksponeringen af EURO 2020 foregå

UEFA beskriver følgende områder i kapitlet promotion fra UEFA EURO 2020 Host City Concept Briefing:

- 🌀 Host City Dressing i København for UEFA og de officielle sponsorer
- 🌀 Den overordnede kommunikationsplan
- 🌀 Lokale og nationale PR-aktiviteter før og under EURO 2020
- 🌀 Den digitale kommunikationsplatform

Kommunikations-arbejdsgruppens fokusområder:

- 🌀 Finde de mest unikke og bedste placering i forhold til Host City Dressing så som bygninger, pladser, broer, statuer etc.
- 🌀 Fastlægge målsætningerne for EURO 2020
- 🌀 Fastlægge målgrupperne der skal kommunikeres til
- 🌀 Udarbejde en lokal og national kampagne, der kan få foreningslivet og resten af Danmark til at involvere sig
- 🌀 Aktivere diverse PR-aktiviteter op til og under EURO 2020
- 🌀 Støtte op omkring UEFAs promotion tours, så som Mascot, Trophy og Music Tour.
- 🌀 Etablere et positivt samarbejde med medierne både print og online
- 🌀 Etablere et positivt samarbejde med relevante partnere og leverandører bl.a. kulturelle institutioner, lokalforretninger, lokalunionerne (LU) og deres klubber
- 🌀 Stå for budgetstyring af Promotion-Budget
- 🌀 Udvikle og udfærdige Promotion-konceptet inden 30. juni 2018, hvor det skal præsenteres for UEFA (80%)

Baggrund

I sommeren 2020 er Danmark og København vært for fire kampe ved EURO 2020 (europamesterskaberne i herrefodbold). EURO 2020 er i anledning af 60 året for det første EM fordelt på 12 byer rundt omkring i Europa, hvorved Danmark har fået en helt igennem unik mulighed for værtskabet af fodbold EM. Kampene spilles i Parken 13., 18., 22. og 29. juni. Det drejer sig om tre puljekampe og en ottendedelsfinale. Kvalificerer Danmark sig bliver der hjemmebanefordel i mindst to kampe.

Uanset om Danmark kvalificerer sig, forventes der et stort antal tilreisende, som i ugerne omkring afviklingen af kampene kommer til at sætte et massivt aftryk i bybilledet. De fire kampe forventes udsolgt, hvilket betyder, at ca. 150.000 fans vil overvære kampene. Hertil kommer et endnu større antal tilreisende, som ikke har billet. Specielt omkring kampene vil den trafikale infrastruktur i og omkring København blive påvirket massivt. Det gælder for såvel den kollektive som private trafik, ligesom Københavns Lufthavn i høj grad vil blive påvirket. En effektiv trafikal infrastruktur er således en vigtig forudsætning for, at EURO 2020 bliver en succes.

EURO 2020 ejes af det europæiske fodboldforbund UEFA. Det danske værtskab projektstyres af DBU i samarbejde med Københavns Kommune og Parken Sport & Entertainment. Hertil kommer en stor mængde samarbejdspartnere og underleverandører, bl.a. Region Hovedstaden, Sport Event Denmark og Wonderful Copenhagen.

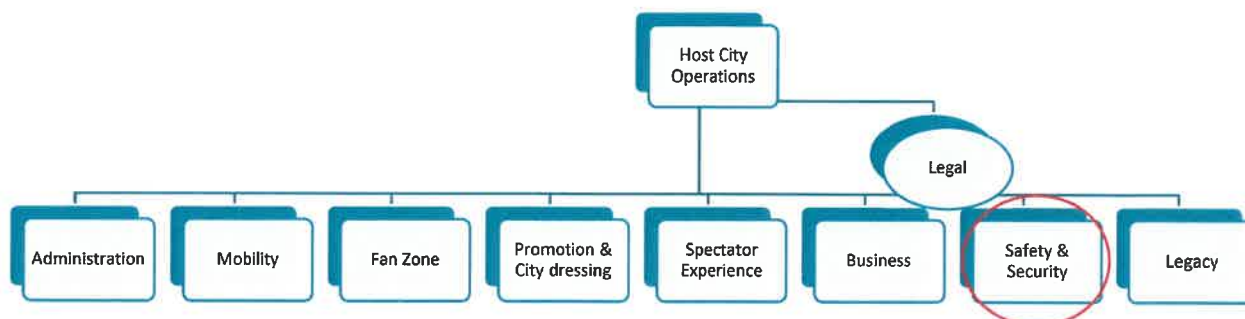

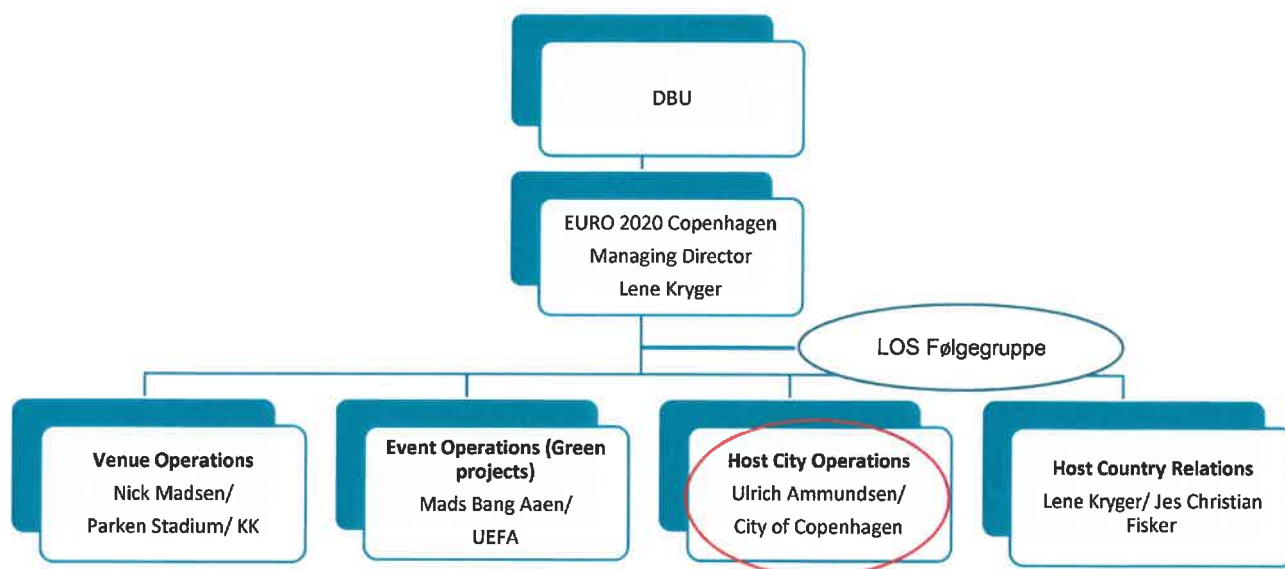

Host City Agreement

Københavns Kommune og DBU har som led i tildelingen af værtskabet indgået en aftale med UEFA. Aftalen blev underskrevet af Overborgmesteren og Kultur- og Fritidsborgmesteren. Med aftalen har kommunen påtaget sig en række opgaver som én af slutrundens officielle "Host Cities" (værtsbyer). Kommunen er retligt forpligtet til at efterkomme de krav, som fremgår af aftalen.

Projektet er inddelt i følgende hovedområder:

- 🌀 Venue Operations (aftale mellem Parken Sport & Entertainment, DBU og UEFA)
- 🌀 Event Operations (aftale mellem DBU og UEFA)
- 🌀 Host Country Relations (aftale mellem DBU og UEFA)
- 🌀 Host City Operations (aftale mellem Københavns Kommune, DBU og UEFA)

Den danske organisation

Der er nedsat en LOS Følgegruppe, hos UEFA kaldet "LOS Steering Group" bestående af nationale og regionale aktører; Københavns Kommune (KFF, ØKF, TMF), Parken, DBU og DBU København, Sport Event Denmark, Region Hovedstaden og Wonderful Copenhagen. Gruppen har ikke et juridisk og økonomisk ansvar, hvorfor denne gruppe kun er en følgegruppe ved navn "LOS Steering Group".

For at stå optimalt rustet til EURO 2020 er det besluttet, at der i forbindelse med de enkelte hovedområder nedsættes relevante arbejdsgrupper – herunder for SSNS-området. Arbejdsgruppen skal bestå af centrale aktører, der kan bidrage til at udvikle et SSNS-koncept frem mod 2020, der går i tråd med eksisterende planer på området. Foreløbig består arbejdsgruppen af følgende organisationer.

Gruppen består af følgende deltagere:

| Organisation | Navn | Ansvar |
|---------------------------------------|---|--------------|
| Projektleder for arbejdsgruppen (DBU) | Thomas Rydahl (thomas.rydahl@euro2020.com) | Head of SSNS |

| | | |
|---|--|---|
| Københavns Kommune Teknik og Miljøforvaltning - Byliv Teknik og Miljøforvaltningen Økonomiforvaltning | Helen Jensen (heljen@tmf.kk.dk) Karina Suhr Gimlinge (j92k@tmf.kk.dk) Ingeborg Degn (id@okf.kk.dk) | Primær tovholder TMF Beredskabskoordinator Chef for Sikker By |

Som et led i Host City Agreement mellem Københavns Kommune, DBU og UEFA er det aftalt, at første udkast til et samlet Host City Concept skal være klar 20. juni 2018. Safety, Security & Service (SSNS) skal beskrives i konceptdokumentet. UEFA har beskrevet deres ønsker til området i følgende dokumenter:

- Bilag 1: UEFA EURO 2020 Tournament Requirements – Sector 06, Safety & Security
- Bilag 2: UEFA EURO 2020 Host City Concept Briefing, January 2018

- 🌀 Host City Operations (aftale mellem Københavns Kommune, DBU og UEFA)

Da Spectator Experience (dvs. den generelle oplevelse, som besøgende i København får) er nært beslægtet med Fan Village, er det i første omgang besluttet, at de to områder er samlet i én arbejdsgruppe

Den danske organisation

Der er nedsat en LOS Følgegruppe, hos UEFA kaldet *"LOS Steering Group"* bestående af nationale og regionale aktører; Københavns Kommune (KFF, ØKF, TMF), Parken, DBU og DBU København, Sport Event Denmark, Region Hovedstaden og Wonderful Copenhagen. | DBU København | Søren Hemmingshøj Teamleder | shem@dbukoebenhavn.dk | Lokal forankring i KBUs fodboldmiljøer |

Arbejdsgruppen skal afhængig af koncept og projektets udvikling suppleres med relevante partnere.

Formål

Formålet med gruppens arbejde er at sikre, at konceptet for Fan Village og Spectator Experience repræsenterer, de forventninger, som projektets nøgleaktører forventer. Det være sig både DBU, KK, UEFA samt er række eksterne offentlige og private partnere, som forventes at blive involveret i projektet. UEFA beskriver følgende overordnede områder vedr. Fan Village i deres Host City Concept Briefing:

- 🌸 Project Management
- 🌸 Venue and access
- 🌸 Infrastructure
- 🌸 Food & Beverage
- 🌸 Venue Management
- 🌸 Media
- 🌸 Commercial Partners
- 🌸 Entertainment program

Arbejdsgruppens fokusområder med Ulrich Ammundsen som projektansvarlig for Fan Village området:

- 🌸 I samarbejde med Københavns Kommune (KFF) og (OKF) at udvikle rammerne for konceptet
- 🌸 I samarbejde med Københavns Kommune (KFF) og (OKF) at lokalisere og invitere relevante organisationer og projektpartnere ind i arbejdsgruppen
- 🌸 At koordinere indsatsen med øvrige nøgleområder i EURO 2020 (Security og Promotion)
- 🌸 Etablere et positivt samarbejde med relevante partnere og leverandører bl.a. Movia og Kastrup Lufthavn
- 🌸 Stå for budgetstyring af Fan Village budget
- 🌸 Udvikle og udfærdige Fan Village konceptet inden 30. juni 2018, hvor det skal præsenteres for UEFA (80%)
- 🌸 Lede et hold af frivillige i forbindelse med afviklingen af EURO 2020 Fan Village området
- 🌸 Ansvarlig for succesfuld afvikling af Fan Village området
- 🌸 Evt. bidrage til afrapportering af Fan Village området

Målgrupper

Fan Village planen skal i detaljer redegøre for, hvordan København efter planen orkestrerer "EURO 2020 oplevelsen" – det gælder for såvel herboende og gæster. Planen have følgende målgrupper for øje:

Internationale gæster

Fodboldfans: Besøgende som kommer til Danmark for at opleve EURO 2020. Denne gruppe kan opdeles i to grupper: *Billeteholdere* og *ikke-billeteholdere*.

Øvrige gæster: Det kan være turister, som ikke er fodboldinteresserede samt forretningsrejsende, men som stadig kan være interesseret i kulturtilbuddene.

Nationale gæster

Fodboldfans: Besøgende som kommer til København for at opleve EURO 2020. Denne gruppe kan ligeledes opdeles i to grupper: *Billetterholdere* og *ikke-billetterholdere*.

Øvrige gæster: Det kan være danske turister, som ikke er fodboldinteresserede, forretningsrejsende og andre der måtte have et ærinde i København, men som stadig kan være interesseret i kulturtilbuddene.

Borgere

Fodboldfans: Borgere i hovedstadsregionen som er fodboldinteresserede og vil involvere sig i EURO 2020. Denne gruppe kan ligeledes inddeles i to grupper: *Billetterholdere* og *ikke-billetterholdere*. Langt de fleste lokale fodboldfans vil ikke have billet.

Øvrige borgere: Ikke EURO 2020 interesseret men som stadig kan være interesseret i kulturtilbuddene.

UEFA

Ud over ovenstående opererer UEFA, som det fremgår nedenstående, med følgende målgrupper, som mobility planen også skal holde for øje. Det drejer sig om: *landsholdene* (og deres tilhørende stab) som skal spille i Parken, *officials*, *“football family”*, *medier*, *hospitality* og *sponsorer*, *medarbejdere* samt *frivillige*.

UEFA Målgrupper og tilhørende services

Koncept

EURO 2020 udgør et enormt udstillingsvindue og i perioden op til, under og efter vil manges øjne være rettet mod København og Danmark. Selve kampafviklingen er underlagt UEFA, men i de mange aktiviteter uden om kampene er der stor mulighed for at give EURO 2020 et særegent lokalt udtryk. Med byens mange erfaringer og aktører på området, er der gode forudsætninger for at skabe en helt igennem unik event. Konceptet for de folkelige aktiviteter (Fan Village og den samlede Fan Experience) skal sikre at:

- Bliver afviklet professionelt
- Efterlader et positivt, blivende aftryk på byens kultur- og fritidsliv
- Bliver løftestang for at udvikle fodbold som foreningsidræt
- Bliver en markant københavnerevent med international gennemslagskraft, som formår at engagere flest mulige borgere, gæster, besøgende og øvrige interessenter – både i udviklings- og afviklingsfasen
- De kommercielle potentiale ved det store tursime ryk-ind bliver udnyttet

- De mulige erhvervsmæssige samarbejder, som kan etableres til gavn for øget vækst i Greater Copenhagen bliver etableret

Det overordnede koncept ser således ud:

Konceptet i Fan Village og den samlede Spectator Experience rammes ind af fire primære områder, der alle skal udgøre EURO 2020 Copenhagen oplevelsen, som vi ønsker at skabe.

Football/Sport: I tæt samarbejde med DBU København og andre relevante aktører inden for fodbold og sportsområdet udvikles indholdet og aktiviteterne i det endelige program.

Food/Beverage: København har international status på dette felt, hvilket skal afspejles i de aktører, som involveres og de muligheder, det giver målgruppen.

Culture: København har et alsidigt kulturudbud som har international appel. Det skal være afspejlet i det program, som kan opleves i Fan Village

Musik: Fodbold og musik rimer, og på scenen i Fan Village skal et passende program skabe

Ovenstående beskriver kun rammerne for konceptet. Det reelle koncept skal udvikles i samarbejde med arbejdsgruppen.

UEFA will pay for costs related to usage, e.g water, electricity, heating. UEFA guarantees that the buildings will be returned in minimum the same conditions as received. UEFA and city of Copenhagen will coordinate if the existing cleaning supplier (indoor) will be used. Der bliver udarbejdet et dokument, hvor alle kommunalt ejede flader beskrives. | KK myndighedsbehandler sagen. |
| 14 | Fanzone Area | The City of Copenhagen will provide the locations and spaces owned by the City of Copenhagen free of charge. | Clean site begrebet skal beskrives. Såfremt områder er privat ejede, vil det være et mellemværende mellem UEFA/DBU og områdets ejer og derfor uvedkommende for Københavns Kommune hvilke aftaler der indgås omkring leje af pladsen. Dog bistår KK med myndighedsbehandlingen også af de private arealer inden for det gældende budget. KK kan ikke udføre driftsopgaver på privatareal; men kan indenfor rammen betale for ydelsen. Det kræver en fast aftale med DBU. | KK myndighedsbehandler sagen og afholder udgiften til byggetilladelsen. |

Forslag: The City of Copenhagen provide power supply, water, toilets, cleaning and waste management in public areas | DBU udarbejder detaljeret plan omkring omfanget og placering af toiletter/køreplader i fanzoner på de offentlige områder. Private og andre ikke kommunalt ejede arealer: Vælges et privat areal såsom fx Ofelia Plads til fanzonen, vil udgifterne være et mellemliggende ml. UEFA og DBU. KK kan ikke bistå økonomisk på privat areal (se dog kolonnen th). Offentligt areal: Ønskes fanzone på alternativt offentligt areal, der ikke allerede har vand og el, må UEFA/DBU selv betale for etablering. DBU indhenter eksempelvis alle relevante oplysninger og indsender af ansøgning til byggetilladelse. | KK afholder udgiften til følgeomkostninger til fanzone vedr. ekstra renhold, afspærring på kommunalt ejet areal. KK's fokusområde vil være offentligt areal. Private og andre ikke kommunalt ejede arealer: KK betaler for de ydelser, der ikke vil være anderledes end hvis Fan Zonen blev planlagt på en offentlig plads, dvs. inden for budget og inden for de samme rammer, som KK kan yde betaling for på en offentlig plads. |
| 16 | Fanzone building permits | If required, | Det må forventes at der skal gives byggetilladelse til alle fanzoner. DBU indhenter eksempelvis alle relevante oplysninger og indsender af ansøgning til byggetilladelse. | KK myndighedsbehandler sagen og afholder udgiften til byggetilladelsen. |
| 17 | Fanzone - Apply the clean site principle | The City of Copenhagen must support DBU on securing the clean site principles; liaising with existing tenants, applying the local rules and regulations.
