This concert introduces a dynamic young ensemble Trio Bohémo. The purpose of the event is primarily to give the audience the opportunity to listen to a top level ensemble playing their native - Czech music, pieces by Antonín Rejcha, Bohuslav Martinů and Josef Suk. The concert aims to enrich and diversify the chamber music scene by bringing an internationally recognized professional ensemble. Through the cooperation with Kateřina Jelínková, a member of Odense Symfoniorkester and Syddansk Kammermusikforening, we aim to begin sustained international chamber music collaboration.
