One night when we're gone
New forms of planets and life comes along
One night when we're gone
No more fake news, no novels and songs
One night when we're gone
No more metaphors of how life is so painfully long
One night when we're gone
We have seen the last human dawn
~~~~~  
One night the earth will be free  
No more maggots like you and me  
I know,  
it's fucking beautiful  
~~~~~  
One night when we're gone
No mamas and papas, No one to lean on
One night when we're gone
No opinions, No right and no wrong
~~~~~  
One night the earth will be free  
No more maggots like you and me  
I know,  
it's fucking beautiful  
~~~~~
