Training

I was in acting classes in primary school (Grunnskóli Tálknafjarðar & Hvaleyrarskóli) and also in my high school years (Flensborgarskólinn í Hafnarfirði) where I was also a part of a video group where we made comedy sketches. I worked as a ATV guide at Glacier World Hoffell for two summers (2014 & 2015) and then I started working at the Blue Lagoon as a Greeter (2016 - 2018) where my main job was communication and being attentive towards the customers, which requires acting skills especially at the Blue Lagoon where they hire actors specially for that job. I am currently in my second year in Copenhagen International School of Performing Arts for a BA degree in Acting.

Special skills and interests

Dancing, singing, play the guitar and piano, communication, languages (Icelandic, english, danish and a bit german), accents, horseback riding, free diving (I have a certificate for that), football, basketball, handball, fencing, track and field and many other sports, handle different sorts of vehicles, Rhetorical skills.
