

Skitser til udstillingen 'Bad Sounds'

Installations skitse af underetage Danske Grafikeres Hus

"Putting a door on the female mouth has been an important project of patriarchal culture from antiquity to the present day. Its chief tactic is an ideological association of female sound with monstrosity, disorder and death."

— The Gender of Sound, in *Glass, Irony and God*. New Directions, 1995: pp 120-121
