

Letter of Interest

To whom it may concern

Copenhagen 2021 is celebration World Pride and EuroGames at the same time I Copenhagen and Malmø as the first joint event of its kind. Copenhagen2021 will thereby be the biggest Human Rights manifestation in Danish history. We are fighting for and supporting everyone's right to live freely regardless of their gender identity, gender expression, sexual orientation, body capabilities and ethnicity.

Our program in August 12.-22- 2021 consists of various productions with the ambition of creating a sustainable legacy for inclusion and representation of LGBTI+ people.

House of International's project would be a very welcome contribution to Copenhagen2021. We hereby support it full heartedly and look forward to including their theater project as part of the culture program.

"LETTER OF INTENT"

Folketeatret bekræfter herved, at vi, hvis alle konditioner falder på plads, vil lægge hus til House of International Theatres "Queer Theatre Festival", som efter planen skal finde sted under "World Pride Festival" i København i august 2021.

Folketeatret vil bidrage med:

- Hus – vi vil åbne huset i Nørregade for festivalen, herunder huse forskellige events
- Lokaler – lægge lokaler til prøver, arrangementer og lignende
- Teknik – Folketeatret vil tilbyde den grundlæggende "teknik pakke" for arrangementer der gennemføres på Folketeatret under festivalen.

For yderligere information står undertegnede til disposition.

Med venlig hilsen
