Flag / Request

On behalf of the Embassy of Ukraine in the Kingdom of Denmark, I have the honor to address the following question.

On February 24, 2023, in Ukraine and abroad will be held an events to mark the anniversary of Russia's full-scale invasion of Ukraine.

In this regard, I would like to kindly ask you to consider the possibility of illumination in the colors of the Ukrainian National Flag of famous and iconic buildings or places in Copenhagen.

We hope for your assistance in such an action of support of Ukraine on February 24.

Also, taking this opportunity, I would like to thank you and the local authorities of Copenhagen for the significant and constant support of Ukraine and the citizens of Ukraine in this difficult time for my State.

Best regards,
