

Dear Ms Nanna Bugge, Dear Mr Johan Flyvbjerg

This is to acknowledge the receipt of your letter requesting His Holiness the Dalai Lama to visit City hall during His Holiness upcoming visit to Copenhagen in Feb 2015.

We are sorry to inform you that your request was turned down this time due to the volume of engagements His Holiness has during his two days visit. Mr Chonpel Tsering the representative of His Holiness the Dalai Lama for Northern Europe and Baltic States has tried his best to accommodate your request but there is nothing much he could do as there is very little space to fit your request in.

You should know that we have been receiving many requests and invitations from many organizations and individuals after the news of His Holiness visit to Copenhagen is spread out. Unfortunately, we cannot accommodate almost all of them as His Holiness two-day Copenhagen visit schedule is already packed. Moreover, most of these events are very demanding and tiring. Therefore, in view of His Holiness age and our concern for ensuring His Holiness' continue good health, the private office of His Holiness the Dalai Lama always advises us that overall engagements of His Holiness shouldn't be overloaded.

We hope you will understand

Yours Sincerely

Wangdue Tsering
Secretary
The Office of Tibet London
