## **The Marathon Project**

2020 - 2024 12 performances

The Marathon Project er en performance-serie, hvor jeg løber et maraton (42,195km) i - eller rundt om - små aflukkede lokaler eller bygninger, mens jeg sporer mit løb ved at tegne med kul på facaden eller væggene.

42,195 glaserede terracotta vaser

Once Upon a Time består af 42,195 vaser - en for hver af maratonsløbets kilometer - illustreret med tekst og billeder, der fortæller historien om fænomenet maraton fra de gamle myter til mine egne maraton performances.

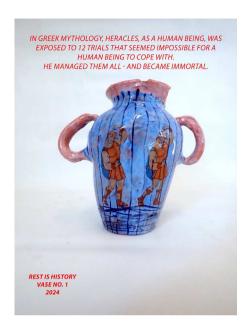

# **Rest Is History / History Is Now**

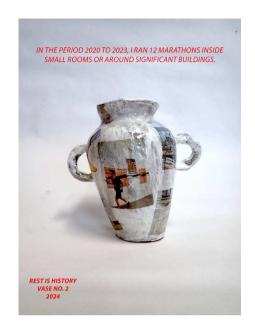

2024 100 terracotta vaser Performance, 30 minutter

Rest Is History / History Is Now er installationen af 100 terracotta vaser og en dertilhørende story-telling performance, der aktiverer historierne fortalt på de 100 vaser.

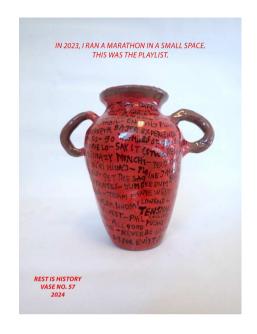

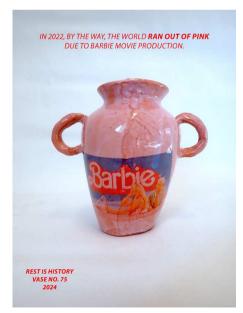

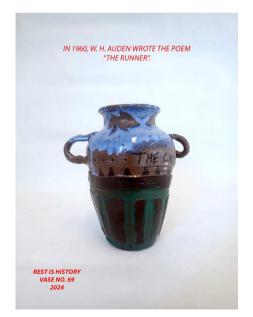

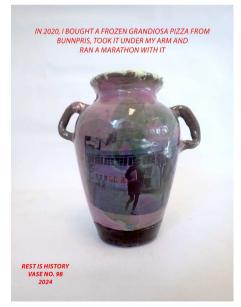

# 10.000 Drawings

2022 Performance 41 timer

10.000 Drawings er en durational performance, der refererer Malcolm Gladwell's ide om de 10.000 timer. Her ved at tegne 10.000 tegninger i streg. Mon den sidste tegning bliver god?
