Letter of intent

To whom this may concern,

On behalf of MDT - Stockholm I am happy to confirm our intention to co-produce and present Meleat Fredriksons, Adam Seid Tahir och Lydia Östberg Diakités work "Embrace" in 2024.

MDT's co-production will consist in contributing with residency in our studio, producer and tech time as well as a fee of 50000 SEK (provided MDT gets its funding).

MDT is an international co-production platform and a leading venue for contemporary choreography and performance situated in a reconstructed torpedo workshop in the Stockholm city center. MDT has since 1986 supported and collaborated with Swedish and international emerging artists.

Best wishes
