

Letter of Invitation

To: Daniel van der Noon
Re: Invitation to exhibit at Wild horses Gallery

Dear Daniel,

On behalf of Wild horses Gallery, I am pleased to formally invite you to present a solo exhibition in the spring of 2026 at our exhibition space in Sydhavnen.

As part of our commitment, Wild horses Gallery will:

Host and curate the exhibition in collaboration with you

Provide free use of the gallery space for the exhibition period, including time for installation and deinstallation.

Promote the project through our social media platforms, newsletter, and the physical presence of the café/gallery.

Host a series of related public events, such as an artist talk, performance, or community gathering, developed in dialogue with you.

We look forward to working together.

Warm regards,

Sigurrós Eiðsdóttir
Director / Curator
