Kort projektbeskrivelse
Hypoxia P4 is a concert evening focused on experimental music and interdisciplinary performance. Through sound, improvisation, electronics, and visual elements, the project explores themes connected to the sea, mythology, ecology, and contemporary culture. The fourth edition of Hypoxia P4 presents new emerging artists from Copenhagen's experimental scene and aims to create an accessible platform for new audiences and artistic collaboration.

Formidling af projektet
The project will be communicated through social media, posters, artist networks, and collaborations with local cultural communities in Copenhagen. Hypoxia P4 aims to reach both existing audiences for experimental music and new audiences interested in interdisciplinary art, performance, and contemporary culture.
