

## ANMELDELSER AF COPENHAGEN CONTEMPORARY

---

★★★★★★ Jyllandsposten:

“Copenhagen Contemporary’s ambitionsniveau kan vist ikke siges meget tydeligere. Tre exceptionelle udstillinger med tre exceptionelle kunstnere er, hvad man for tiden kan opleve her ude på Papirøen. Verdensklasse, intet mindre.”

★★★★★★ Berlingske:

“Det er imponerende, hvad det på blot trekvart år er lykkedes Copenhagen Contemporary at vise af væsentlige udenlandske billedkunstnere fra Ragnar Kjartansson over Pierre Huyghe til Céleste Boursier-Mougenot samt veteranen Bruce Naumann.”

★★★★★★ Kristeligt Dagblad:

“Copenhagen Contemporary er hovedstadens mest ambitiøse kunsthall – Københavns svar på MoMA, New Yorks berømte Museum of Modern Art.
